

Access to Untis for Parents > Login

- If you haven't already done so: register using the email address on file with the school office (instructions on page 2).
- Search for the school at webuntis.com or in the Untis Mobile App and log in with your username (= email address) and the password you chose during registration.
- 3. If necessary, you can reset your password yourself.

Note:

If there are multiple children at GDRS, one account is sufficient; it is possible to switch between the children.

Access to Untis for Parents > Registration
